3. Phone bidding will be available. To bid by phone contact the MSSA secretary at the location of the auction. A major credit card will be required for bidding over the phone. There will be a 5% handling charge for using a credit card. A 5-day grace period will be given before the card is processed. 7. Relocation of a stallion does not prevent you from breeding a mare and is only an inconvenience. MSSA is not responsible for relocated stallions.

9. Only registered quarter horse mares and thorough bred mares with a number will be accepted by the committee for nomination in the futurity.
10. If mare does not produce a live foal the first year of service, the mare will be given a return service. In case of death of the original mare, a substitute mare will be acceptable. The stallion service fee from the auction will remain with the year purchased, but the foal will be moved to it's year of eligibility. If the foal dies after birth, but within the live foal guarantee period, you may re-breed your mare. We cannot do anything if the foal dies past that time.
 - A. The Futurity committee will fulfill its obligations for 2 years to the purchaser of the breeding fee. Resulting foal will be eligible for the Futurity.
